MEMORANDUM FOR THE RECORD

SUBJECT   : Interview with ████████████████   25X1A9a

REFERENCE: Memo dtd 28 Oct 57 to Mrs. ████████████, thru D/Log fr DD/S, 25X1A9a
              subj.: "Administrative Reprimand."

1. On Monday, 28 October 1957, I interviewed Mrs. ████████████   25X1A9a
at which time I advised her that in accordance with our discussion of 2 October
1957 I had requested the Inspector General to make an investigation. I then in-
formed her of the conclusions which the Inspector General had reached and said
that pursuant to his conclusions and recommendations I was going to deliver an
administrative reprimand to her, through the Director of Logistics, for her con-
duct on 20 September 1957, and, further, that I would instruct the Director of
Logistics to reassign her to a position other than in the ████████████   25X1A

2. Mrs. ██████ reviewed the whole situation for almost an hour. The   25X1A9a
substance of her statements is that she would like to forget the 20 September in-
cident which she regards as unimportant and that she believes she has been
treated unfairly inasmuch as in her opinion ████████████ has accomplished   25X1A9a
all of his objectives, i.e., has caused her to be disciplined and has succeeded
25X1A   in having her removed from the ██████████ She feels that her removal from
25X1A   the ██████████ is very unfair and does not know of any other position in which
she would like to work.

3. I told Mrs. ██████ that I was sorry to have to do this but that I had   25X1A9a
proceeded in this matter on a completely impartial basis and that I was clear in
my own mind that the action which I was taking was just and proper.

4. Upon leaving my office Mrs. ██████ reiterated that she was very
upset about the whole situation and that while she didn't know exactly what her
next move would be she did not propose to drop the matter.
